SUNFLOWER FIELD

A large field overlooking Maddoc's haven, with easy access from the road or paths, the sunflower field provides a lovely place for photographs and creating lasting memories. We plant in rows separated by paths allowing for guests to easily pick their own.

THE CINEMA

In the sunny weather our drive in cinema offers a unique experience to bring to your wedding. From the comfort of your deck chair, picnic blanket or car, enjoy a relaxing evening with your favourite film, a delicious wood-fired pizza, and breathtaking views.

A WEDDING WEEKEND

PRE-GATHERING

Want to start the day with a wild swim or a yoga session on the clifftop before you get ready? No problem! Imagine sharing drinks with friends as you watch the sunset the night before the wedding. We'll help make it happen.

BREAKFAST

Good food is at the heart of a great celebration, and that includes breakfast. We can arrange for a continental spread in John's barn or a hot breakfast roll to take away with you - whatever sets you up for the day.

CEREMONY

We have several licensed sites around the farm and you can choose to have the registrar marry you here. The clifftop fields are an amazing place to say your vows, and John's barn is super cosy and full of rustic charm.

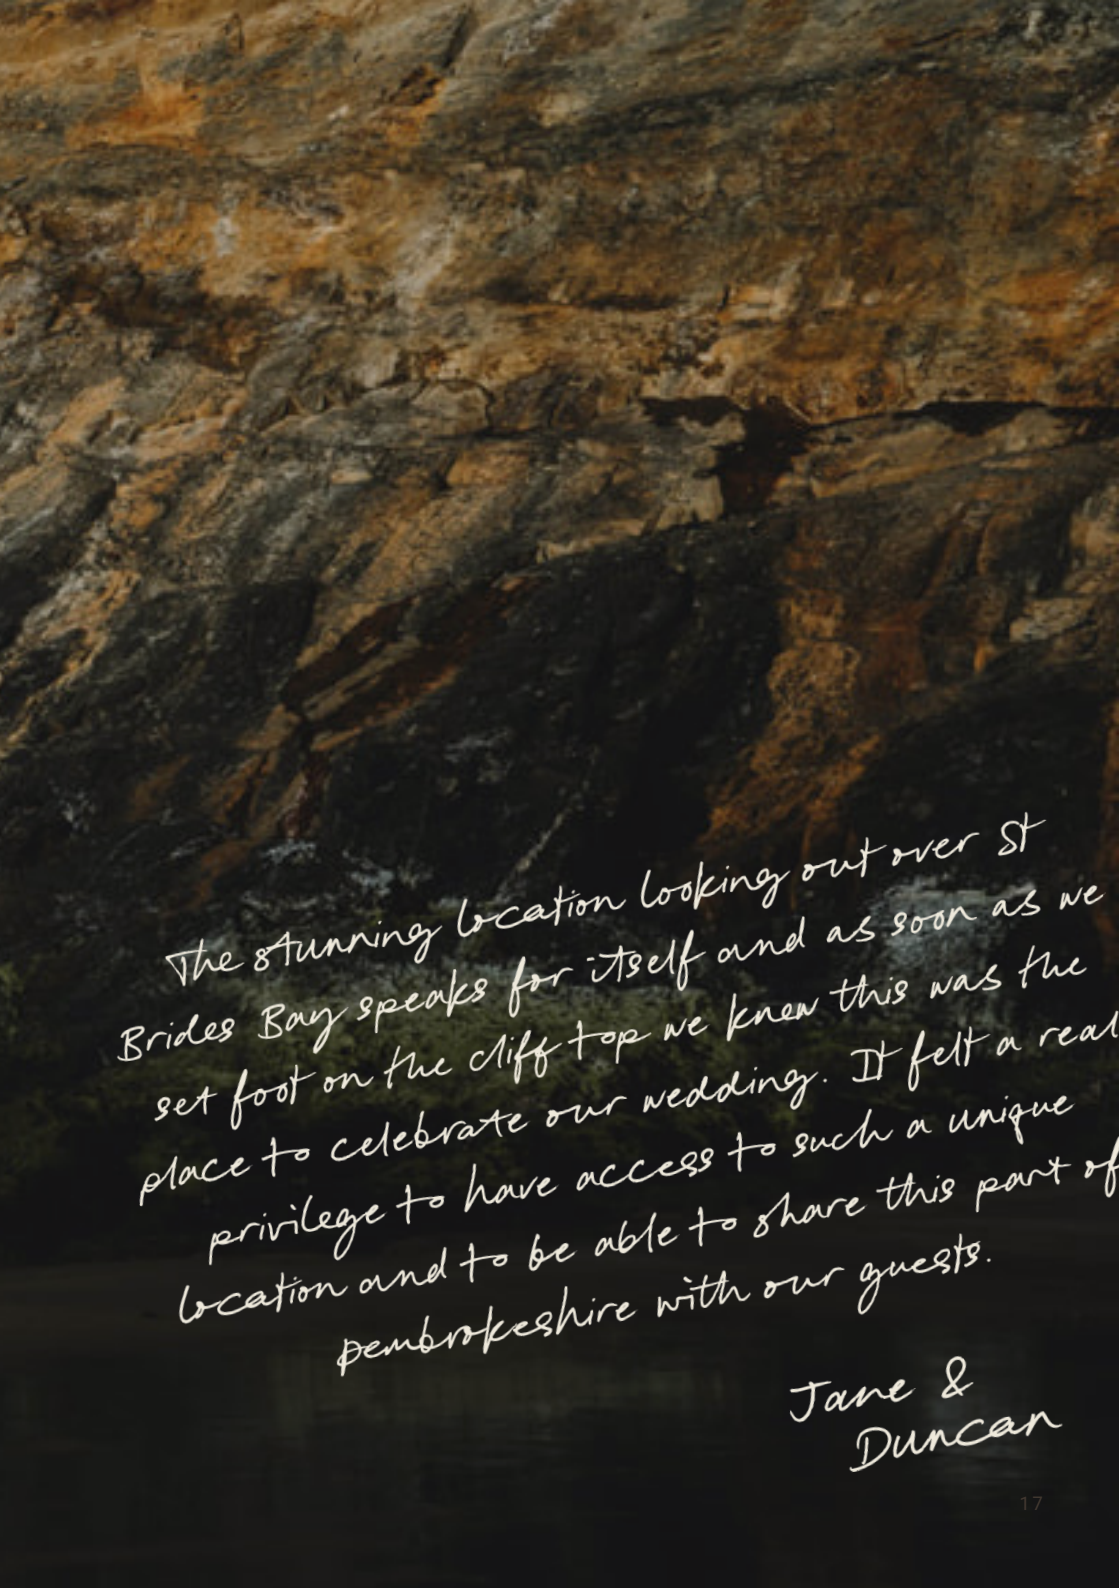

CELEBRATION

Whether you want to go traditional with food, speeches, cake and dancing, or you want something original, we'll facilitate your dream celebration. Home made pizza from our catering Airstream? Surfing with friends? Outdoor Jenga in the sunflower field? We're game if you are.

THE AFTER-PARTY

End the evening by dancing late into the night in John's barn or stargazing from the clifftop. The next morning, after a good nights sleep, gather for a hearty breakfast roll to relive the celebration, share stories and say your goodbyes.

The stunning location looking out over St Brides Bay speaks for itself and as soon as we set foot on the cliff top we knew this was the place to celebrate our wedding. It felt a real privilege to have access to such a unique location and to be able to share this part of Pembrokeshire with our guests.
